## GIRL IN THE WOODS

Book Condition: New. Publisher/Verlag: HarperCollins US | A Memoir | GIRL IN THE WOODS is Aspen Matis's exhilarating true-life adventure of hiking from Mexico to Canada. Not since Alice Sebold's LUCKY and Cheryl Strayed's WILD has a young woman written such a searing, yet hopeful story of survival in the wake of a horrific trauma and finding acceptance, hope, and healing in nature. | Girl in the Woods is Aspen Matis's exhilarating true-life adventure of hiking from Mexico to Canada—a coming-of-age story, a survival story, and a triumphant story of overcoming emotional devastation. On her second night of college, Aspen was raped by a fellow student. Overprotected by her parents who discouraged her from speaking of the attack, Aspen was confused and ashamed. Dealing with a problem that has sadly become all too common on college campuses around the country, she stumbled through her first semester—a challenging time made even harder by the coldness of her college's "conflict mediation" process. Her desperation growing, she made a bold decision: She would seek healing in the freedom of the wild, on the 2,650-mile Pacific Crest Trail leading from Mexico to Canada. In this inspiring memoir, Aspen chronicles her journey, a five-month trek that was ambitious, dangerous, and transformative. A nineteen-year-old girl alone and lost, she conquered desolate mountain passes and met rattlesnakes, bears, and fellow desert pilgrims. Exhausted after each thirty-mile day, at times on the verge of starvation, Aspen was forced to confront her numbness, coming to terms with the sexual assault and her parents' disappointing reaction. On the trail she found her strength, and after a thousand miles of solitude, she found a man who helped her learn to love and trust again—and heal. | Format: Paperback | Language/Sprache: english | 440 gr | 228x151x27 mm | 384 pp.
