As a single man, have you ever suffered from any of these online dating frustrations? -You find your online experiences are not working as well as you thought? -You re wondering what to say to women online whom you find attractive. -You cannot seem to write a unique profile that stands out from among the sheep? -You deal with a lot of rejection from women or no replies back? -You are wondering what the other guy succeeding has that you don t have? -Struggling with emails and number closes? -Having no luck whatsoever keeping pretty girls interested? -You feel like you are wasting your money every month on membership fees and looking for the right answers? Disgusted with solutions and nowhere to turn? What are the answers? It s simple. You need to get yourself a copy of my new book. \*In the book, I will discuss getting the most out of your online experience with women and go in depth on what to do and most importantly - what NOT to be doing! It s all about increasing your chances of success in this crap shoot dating world of cyberspace. It s a skill set you need to learn just like anything worthwhile. First and foremost, it s for newbies guys who are currently experiencing no success (yet seeking the proven answers). Did I mention it s jammed with a ton of information that the average how to book will leave out? Warning: Explicitly themed and laced with adult language! It is raw, honest, unapologetic and in your face the way men love to learn. Not for the faint of heart or easily offended gentlemen. Hot topics will include: -Doing the counter intuitive...
