Reviews

This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)

LOST IN YELLOWSTONE: THIRTY-SEVEN DAYS OF PERIL AND A HANDWRITTEN ACCOUNT OF BEING LOST (PAPERBACK)

University of Utah Press,U.S., United States, 2015. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. In 1870, Truman Everts visited what would two years later become Yellowstone National Park, traveling with an exploration party intent on mapping and investigating that mysterious region. Scattered reports of a mostly unexplored wilderness filled with natural wonders had caught the public s attention and the fifty-four-year-old Everts, nearsighted and an inexperienced woodsman, had determined to join the expedition. He was soon separated from the rest of the party and from his horse, setting him on a grueling quest for survival. For over a month he wandered Yellowstone alone and injured, with little food, clothing, or other equipment. In *Thirty-seven Days of Peril* he recounted his experiences for the readers of *Scribner s Monthly*.In June 1996, Everts s granddaughter arrived at Mammoth Hot Springs in Yellowstone National Park to meet with park archivist Lee Whittlesey. She brought two documents that her father had kept hidden and both were handwritten by Everts. One was a brief auto-biography that gave new insight into his early life. The other was a never-published alternative account of his confused 1870 journey through Yellowstone. Both have been added to this volume, further enhancing Everts s unlikely tale of survival.
