Reviews

*This written publication is wonderful. It really is loaded with knowledge and wisdom You will not really feel monotony at at any time of your time (that's what catalogues are for relating to if you ask me).
(Desmond Becker)*

MUNDANE ASTROLOGY: THE ASTROLOGY OF NATIONS AND STATES

Astrology Classics. Paperback. Condition: New. 320 pages. Dimensions: 8.3in. x 5.5in. x 0.8in. Will there be peace Will there be war Find out with Mundane Astrology. Here, in one volume, are three classic books on the astrology of nations and states, by H. S. Green, Raphael, and C. E. O. Carter: H. S. Green organizes his book planet-by- planet. He tells what each planet will do in the 12 houses. Raphael organizes the topic by house. He tells how mundane houses work when planets are in them. In addition, both authors deal with solar and lunar eclipses, and earthquakes. Green shows the effects of eclipses in the houses, while Raphael describes them by decanate (100 sections of the zodiac). Both mention the effects of comets, although little about these mysterious bodies is known astrologically. Charles Carter, writing after WWII, discusses why astrologers failed to predict the war and what that means for mundane astrology. His plea for better data has largely been met, but the need for more study remains. All three authors give astrological rulerships for countries and cities. These are centuries old and are weighted to England and Europe. Carters rulers are the most up-to-date. These are the essential texts for serious study of mundane astrology. About the Authors H. S. Green was an astrologer associated with Alan Leos astrological revival back in the first decade of the 20th century. His various books are highly regarded (all but this one out of print, sadly), but biographical details are sketchy. Raphael was the pen-name of one Robert Cross, 1850-1923. He was the sixth in a series of astrological writers who used the name Raphael and remains the best known of them all. He wrote books on virtually all astrological topics. His book on mundane astrology dates from 1910. Charles E....
