Report: Your Committee, appointed at the last meeting of the Board of Trade, to whom was referred a resolution, requesting information with regard to such additional branches of Manufacture as may be profitably and successfully established in this City, would submit the following report: For the purpose of obtaining advice from the best informed sources, your Committee addressed a circular to a number of the leading Manufacturers and business men of the City, soliciting their co-operation, and are under obligations to several of these gentlemen for important facts and suggestions. The advantages possessed by Indianapolis for profitable investment of capital and labor, in every department of industry, bear favorable comparison with those of any other City in the West.
