## DIGITAL PIONEERS (HARDBACK)

V A Publishing, United Kingdom, 2009. Hardback. Book Condition: New. 186 x 136 mm. Language: English . Brand New Book. This new series celebrates the VA s status as a source of inspiration for designers, reflecting the unique breadth and depth of a collection that represents over 3,000 years of objects from all over the world. The pocket-sized books make attractive and collectible gifts, but are also a valuable source of ideas for designers of all kinds. The first four titles in the series feature some of the museum s most popular patterns, from William Morris wallpapers to 1950s textiles, and a short introduction to each puts the patterns in context. Complete with a free CD of the images inside, to be redrawn or reworked, commercial designers looking to license patterns and individual motifs from the collection can use the books as a starting point for research.
