Harper. Hardcover. Book Condition: New. Hardcover. 384 pages. Dimensions: 9.0in. x 6.0in. x 1.2in. Equal parts investigative memoir, crime procedural, and revenge thriller, Whipping Boy chronicles the authors real-life search for the childhood nemesis who has haunted his life for over forty years. Abused as a ten-year-old at a prestigious English boarding school nestled in the Swiss Alps, Allen Kurzweil, author of the acclaimed bestseller A Case of Curiosities, takes the reader around the world from the Vienna Woods to the slums of Manila to the boardroom of the worlds largest law firm high above New York City to locate and confront his long-lost tormentor, a twelve-year-old named Cesar Augustus (who tied him up and whipped him to the strains of Jesus Christ Superstar). What begins as an anxiety-fueled quest for revenge takes an elaborate detour when the author discovers that Cesar has recently been released from federal prison for his role in a byzantine scheme perpetrated by a felonious duke, a Congolese king, a fugitive prince who traces his roots back to Vlad the Impaler, and a spats-wearing baron born in Toledo, Ohio. You cant make this stuff up (unless youre a world-class swindler). By chance, Kurzweil finds himself privy to the voluminous files of the federal prosecutor who brought Cesar to justice, and a journalists curiosity clashes with a victims fear of facing down his old nemesis. A scrupulously researched work of non-fiction that reads like a John Le Carr novel, Whipping Boy is more than a tale of karmic retribution. It is a heartfelt and darkly comic meditation on forgetfulness and memory, trauma and recovery, born of suffering and nourished by obsession, and resolved in a final act of courage. Whipping Boy includes 16 pages of black-and-white photographs and 91 images throughout. This item ships from multiple locations. Your book...
