Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).
(Taylor Medhurst)*

B. FRANKLIN, PRINTER

Holiday House. 1 Cloth(s), 2001. hard. Book Condition: New. Although he earned international renown as a scientist, inventor, diplomat, and humorist, Benjamin Franklin wanted to be remembered first and foremost as a printer. This biography for readers 10 and up does indeed trace Franklin's highly successful printing career, while also delving into his experiments with electricity, the compilation of Poor Richard's Almanac, and his fruitful years in France. The book includes excerpts from Franklin's writings, and more than 60 period illustrations and facsimile documents."With its chronologies, map, index, diverse bibliography, and helpful Web sites, this is a solid research tool. Perhaps the best [biography] so far of a man who . may have been 'our greatest American'."School Library Journal 126.
