Bunya Publishing, Australia, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.BUDGIE SMUGGLERS (book 4) Billy hunts street meat for his first ever dinner date, much to Amber s dismay. A cranky council worker named Norm, wants them out of his park, but he also wants his park rid of feral cats. Billy makes a weapon for Amber with mixed results and the drunken burp of a hobo sends her crashing back into the life she just escaped. Billy has no clue what to do with an upset Amber but he does try. His bare bum needs to be kept in check so Amber comes up with a gift. And Larry, Curly and Moe make a meal of a dying man, saving his life and making him giggle. Norm is traumatised to find Billy and Amber gone. This book was just as laugh out loud funny as the first three books in the series. Billy slowly learning about girls and falling in love for the first time in his innocent way was just plain adorable. I can t get enough of these characters and their adventures. It was AWESOME. Jessica B, USA A friend recommended it to me. It was a very different book, but it was enjoyable and fun to read. Deborah S, Canada There are some hilarious scenes and some really entertaining dialogue that move this story along at a great pace. The character of Billy is so endearing he stays with you long after the story is over. Looking forward to the next book in the series. Jack S, Australia URBAN HUNTERS is laugh-out-loud, gut-churning, heart-wrenching storytelling at its best. Unlike anything you ve ever read, in typical Taaffe fashion. Hilarious as usual. Always surprising. Wonderful!.
