So that, in the union of the two, the one would be a spiritual complement to the other, and the union itself a nearer approach to perfect humanity than could be found in either man or woman alone. If this be so, it would be the appointed mission of woman to cultivate love as her highest goal: for only through it could her human duty find truest womanly utterance. Love has ever been your mission and your goal. In memory of this love, and of its powers towards the accomplishment of human ideals, and of the strength it gave me for the fulfillment of this my task, I dedicate this book.
