*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

We learned of him that he was born near the town of Gettysburg, in Adams County, Pennsylvania, if we rightly remember, in the year 1853, but when very young removed with his parents to the mountains in the southwestern part of his native county, where he yet resided at the time of our meeting. As we first saw him entering the pastor s home, there was nothing very noticeable in his appearance. Rustic and unpretending in his manners and bearing, with no apparent effort to cultivate fashion or style, the main thing we observed was that he was a young man of thoughtful mould, earnest heart, clear eye, and an evident fixedness of purpose. From the estimable pastor we learned that he was a youth of uncommon natural abilities, and after having read a short literary production of his, were astonished at learning he was entirely self-taught. Reared in the midst of the friendly forest which yield to his father a scanty support,...
