TEARABAR AND THE LEGEND OF THE TEARDROP TREE

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 174 pages. Dimensions: 10.0in. x 8.0in. x 0.4in. Ages ago, a small man named Mirth floated among pieces of shipwreckage drifting ashore on the uncharted island of Tearabar (teer-a-bar). Beneath the canopy of the islands only shelter, a benevolent willow tree, the sole-survivor lay unconscious for three days. An underwater nightmare haunted his sleep; chalky gray bodies of wedding guests and his bride-to-be floated above deck-chairs on a sunken ship. On the fourth morning, Mirths eyes startled awake. The sky shone clear blue above, yet a misty fog hovered around him in the myriad of branches. Mirth sat up, wiped his tears, and felt compelled to speak. As he whispered the name of the ship and began to describe each family member who perished, large droplets of saltwater formed on the trees delicate leaves and began falling to the earth. He heard a soft voice: Let your sorrow fall on me Ill cry for you, Im the Teardrop Tree After his initial shock and amazement, followed by long days and nights of insightful dialog, Mirth, with renewed spirit assembled the debris into a seaworthy raft and set out in search of his new destiny. He returned to Tearabar countless times, and others followed. Carrying the burden of sorrow for each visitor, The Teardrop Tree let their tears nourish her roots, spreading them across Tearabar to become the epicenter of the island, which the Mirthians now call: The Land of Dreams. Centuries later, across the globe, antagonistic, intellectual and heartbroken teenager, Darnell Quigley, and her stubborn grandpa, Professor Quigley, are cooped up in a one bedroom flat in New York, trying to cope with the tragic loss of Grandma Helen Quigley and Darnells dog Lucky. Neither the sarcastic youth...
