

The Bible, Fact or Fiction?: Exciting and Compelling Facts to Consider (Paperback)

Filesize: 2.45 MB

Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composes this pdf.

(Ryder Nolan)

Outskirts Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Don't let current and future events catch you unaware! This is a must-read book for everyone who is perplexed and frustrated as to the major catastrophes happening all around the world. Equip yourself and others with facts and evidences from science, astronomy, history and prophecy that confirm what one ancient, yet yearly top-selling book, has predicted regarding where the world is headed and the urgency to be prepared and ready for these critical events on the horizon. Included Topics: Life - Is This All There Is? Life is difficult and though the world faces many crises, there are many astonishing evidences that show we aren't here by accident; we do have a purpose and there is hope for each individual as well as a more exciting future for those willing to search it out. -Does any religion or philosophy stand above the others in physical facts and evidences that prove it alone stands above all others to be trusted? If so, what is it? -Between Psychics, Astrology, and Biblical Prophecy, which one of the three have proven 100% accurate in foretelling the future? -Which book preceded the sciences in giving facts regarding astronomy, medicine and physics? What book first stated that the world was round, that there were so many stars you couldn't count them, that creation is made of invisible elements and the earth is suspended on nothing? -Is the Bible reliable? Can it be proven by history that Jesus Christ actually lived on this earth? Is there evidence that God exists? Is He personal? -Is there any one book that encompasses science, medicine, astronomy, politics, prophecy and current events, while being the one common denominator that millions...
