Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you know how long you are going to live? If not, how can you possibly create an intelligent and accurate retirement plan? The answer is you can t without a great deal of luck. Of the people who try to do this on their own, 80 get it wrong and either run out of money before they die, or die with way too much. This insightful book shows you exactly how to solve this key problem. The author takes you step by step through the Last Things First and More Now, More Later retirement processes of creating a retirement plan that you can not only count on, but also thrive with. From the book: Before going on, let me say I get it. I understand why most people don t have professional financial help. The fact is, you don t trust us. And with good reason. There is so much noise and so many conflicting opinions. Everybody, it seems wants only one thing-to separate you from your money. Billions of dollars are spent every year in lobbying Congress and silly advertisements about blue dots, meaningless orange numbers, and green lines (yellow brick road, anyone?). And everyone seems to win except for you. (page 10) In fact, it received no discussion or debate at all. None. Zero. Nada. I have often said the 401(k) was not something that was done for us. It was done to us. Xerox, Kodak and the rest of corporate America were not the only culprits. Wall Street and the mutual fund industry were also in the thick of things. The industry immediately saw the opportunity and aggressively marketed the plans as a money saving...
