Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this e-book in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Tate Publishing Enterprises, United States, 2012. Paperback. Book Condition: New. 221 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Heather Marie Fry was pretty, vivacious, popular, smart, and witty. Everybody in town knew her and loved her. She was the pride of her teachers and as loving and kind as she was talented. But she was starting to get headaches, and they were rapidly growing worse. When her mother took her to the doctor, she was told that Heather was fine, but Heather s health continued to deteriorate. Finally, they found someone who had the answer. Heather had a brain tumor. It was inoperable. Heather was twelve at the time. The doctors found the answer but not a solution. The best they could do was keep Heather as comfortable as possible for as long as possible. Family and friends rallied around Heather and Debra for support. Paint Me Black All Over is the story of a mother s quest to find the best help possible for her ill daughter and her struggle to keep her family together. Debra Tolar recounts the last year in the life of her daughter, Heather; the multiple bouts of radiation and chemotherapy; and all the pain and sorrow that went along with it. But amidst all the sorrow, Debra also relates a message of hope and joy, of the friends and support she found, and of the never-ending strength of her daughter. Paint Me Black All Over is a heart-wrenching account of childhood cancer that will inspire others in similar situations to never give up the fight.
