Vintage Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Written in alternating chapters, *W or the Memory of Childhood*, tells two parallel tales, in two parts. One is a story created in childhood and about childhood. The other story is about two people called Gaspard Winckler: one an eight-year-old deaf-mute lost in a shipwreck, the other a man despatched to search for him, who discovers *W*, an island state based on the rules of sport. As the two tales move in and out of focus, the disturbing truth about the island of *W* reveals itself. Perec combines fiction and autobiography in unprecedented ways, allowing no easy escape from these stories, or from history.
