Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Katzz Institute Erotica This work is one of a series of field studies of taboo sex acts. The Institute contacted a number of subjects through a profile posted on [a fantasy dating site]. The first study was made of a young university student. He was highly dependent on his mother. He asked to watch as a researcher took a shower. The researcher disrobed and entered the shower, and left the curtain drawn. She agreed to his request for role playing. She pretended to be outraged, and proceeded to chastise the young man. The responses of the subject were recorded in this and all other studies. Includes the bonus book Barbara and Her Ladyboy.
