Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Annotated. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My Native American story does not pretend to be a scientific treatise. It is as true as I can make it to my childhood teaching and ancestral ideals, but from the human, not the ethnological standpoint. I have not cared to pile up more dry bones, but to clothe them with flesh and blood. So much as has been written by strangers of our ancient faith and worship treats it chiefly as matter of curiosity. I should like to emphasize its universal quality, its personal appeal!.
