Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *The Prevention of Disease, Vol. 1 of 2* IT has been the endeavour of those concerned in the translation of this work to render the meaning of the original into readable English. To effect this it has in many places been found necessary to break up into convenient portions the lengthy sentences which are so frequently met with in German scientific literature, but which are alien to English; and so far as possible the presentment of German idioms in English words has been avoided. Great attention has been paid to rendering the scientific terms and expressions by their correct English equivalents.
