## UGLY WORLD

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 260 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. The United States Government is losing the war against terrorism. It can't fight an enemy who does not wear a uniform or an enemy whose only loyalty is to an extremist cause which has been deviously interpreted and conveniently altered from the sacred Koran, to suit their hatred against the Western world. The enemy's leaders are psychopaths that are able to recruit and brainwash young individuals from all over the world to perpetrate their terrorist acts. These enemies can remain dormant for years in a foreign country and can masquerade as any ordinary person. They are able to adapt to its culture and then emerge with devastating results that decimate hundreds of victims. The adaptation of the enemy in these foreign countries makes the task of detection for law enforcement and intelligence agencies extremely hard to prevent their next attack. A clandestine group high in the chain of command in Washington D. C. decided that these extremists should get a taste of their own medicine. They start sending suicide bombers from the United States to the Middle East. Their objective is to cause the same terror in the Middle East that our population in the Western world has been experiencing. This group is hoping that after several of these covert missions are carried out in the Middle East, it will eventually force them to negotiate a peace treaty to stop the madness. Will they succeed? Their ethics are twisted and their tactics to recruit people for these missions are unscrupulous; they are as bad as the very same enemy that they are fighting against. One of these covert operations was leaked to a CNN reporter, Marnie Miller. She is a...
