

## Handbook on Child: (With Historical Background)

By P.P. Barooah

Concept Publishing Company Pvt. Ltd., 1999. Hardcover. Book Condition: New. An understanding of those who thought and planned for children, will make us appreciate the vision they had for the future of the child. Without this knowledge and awareness, one cannot admire and appreciate 'those' who have made children's existence conspicuous and have made a solid contribution towards children. The first chapter highlights the place of child in the past. The subsequent chapters deal with the National Policy for Children and the events that lead to the planning of this historic event. Equally important are others on Child Legislation, the Children's Charter and Rights of the Child, and these find an important place in the book. Universal Children's Day which is celebrated every year. Each year a new theme has contributed to the different needs of the children and has created awareness in the gaps in services. The chapters that follow deal with different organisations engaged in promoting the well-being of the child. In the revised edition, a new chapter is on Indigenous Medicines for children and mothers. Also another chapter on the Five-Year Plans, the Eighth Plan and the projected Ninth five-year Plan. Last but not least is the chapter on...

### Reviews

*This book is definitely worth acquiring. I have gone through it and so I am certain that I will likely read through it again in the future. It has been printed in an exceptionally basic way in fact it is only after I finished reading this publication that I actually altered my opinion, change the way in my opinion.*
