Scuffleheads Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Who Are The Scuffleheads? Scuffleheads are a mysterious group of eleven highly educated individuals - along with one a little less educated - whose sole purpose is to inform and protect the public from Internet intruders. The group was established in the new millennium, when the Internet was expanding around the globe at a faster rate than anybody had envisioned. With more and more corporations connecting to the Internet, along with us, the regular Joes, Internet invaders - hackers - saw a chance to disrupt and shut down businesses, and steal our personal information. World Governments and corporations wanted to protect the Internet from these hackers, and with a direct order from world leaders, Scuffleheads was founded. The Scuffleheads work with local law enforcement to catch people who use technology to cause us harm and distress. The Scuffleheads use high tech equipment to find, and dispose of computer viruses that harm our communication systems. The Scuffleheads never use lethal weapons. They use ultramodern, complex weapons to deal with these nasty little bugs. The Scuffleheads motto is simple: WE ARE YOUR FIRST AND LAST LINE OF DEFENSE.
