When Pru steps into Milly's dreams, life becomes much more interesting, and more challenging. Milly is drawn into a hidden world, a world that will involve her in unexpected ways. She realises, then, that some knowledge has to be kept secret, especially when people don't believe what you tell them! Will all be well? Will Nan be proved right when she says that Milly is a very, sensible girl? Enter Milly's world and see where your imagination takes you.
