Forgotten Books, United States, 2017. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from *La Republique Argentine: La Mise en Valeur du Pays* Un plan strictement regional, le seul qui convienne apparemment a une description complete et methodique des terres historiques de l europe occidentale, le seul qui permette d y suivre de pres la realite geographique, a paru moins indique pour un pays neuf comme l argeno tine. En Europe occidentale, chaque region forme vrai ment une unite independante; elle a longtemps vecu sur elle - meme, reduite a ses ressources propres; -chaque groupe de population a son horizon limite l action innombrable du milieu sur l homme et de l homme sur le paysage s est poursuivie sur chaque terroir dans une sorte de tete-a-tete solitaire et acharne. Il n en est pas de meme en Argentine, ou quelques-uns des faits a mettre en lumiere sont au contraire l expansion de la population et des methodes d exploitation d une zone a l autre du pays, et l in?uence exercee sur la colonisa tion par le commerce et par les besoins du marche mondial. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
