Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Sunshine of Hope and Other Poems In presenting to a much-bored public this little book, which one of my dearest friends has christened Sunshine of Hope, I desire to state, by way of introduction, as well as apology, that most of the manuscript was written with no intention on my part of ever having it published, and the only thing that has prompted me to permit its publication at this time is the hope that I may by so doing assist, in a humble way, in the building of the great Modern Woodmen Sanatorium for the cure of tuberculosis, at Colorado Springs, Colo. I trust, however, that in the reading of these simple outbursts from the soul of the writer you may gather some helpful thoughts and feel that you have not only not misspent your time, but that you have spent it profitably. Whatever the little book may lack in meeting your ideal will only reflect the weakness of the author; therefore, do not condemn, but pardon.
