THE CRYSTAL CHILDREN: A GUIDE TO THE NEWEST GENERATION OF PSYCHIC AND SENSITIVE CHILDREN (PAPERBACK)

Hay House UK Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Following on from the successful The Care and Feeding of Indigo Children, this is Doreen Virtue s first book on Crystal Children. These kids are like Indigos - highly psychic and sensitive - but without the dark edge and the anger energy. Crystal Children are beautiful inside and out - one look in their eyes and you can see Divine love and wisdom. Their auras are bright, radiant and opalescent - they seem to glow from the inside! They talk about past lives, distant galaxies and profound insights concerning peace and love. This book reveals how parents of these gifted children can ensure that these qualities are nurtured and not misunderstood. It also describes how to encourage their unique gifts, including healing abilities and a powerful connection to nature. Using many interviews with Crystal Children, their parents and teachers, Doreen s teachings show how we can cultivate this generation of special children.
