In Book One of the four books, Thomas offers practical, simple steps toward following the path of Christ. These admonitions are maxims and aphorisms grounded in his experience as the Novice Master of new disciples entering the Monastery. Thomas a Kempis wrote The Imitation of Christ in the early 15th century. He was a monk and priest who became a prolific writer and copyist, as well as the Novice Master of his monastery. He lived to be 90 years old, and hand-copied the entire Bible at least four times. This edition of The Imitation of Christ, with comments and highlights by Timothy E. Moore, Esq., invite the reader to a quick overview of each chapter and a modern application of each meditation. Moore also provides a short, fictional narrative from the point of view of Thomas, which places the reader into the mind of the Novice Master as he composes his master work.
