

Superfudge

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

SUPERFUDGE

Penguin Putnam Inc, United States, 2004. Paperback. Book Condition: New. Reissue. 173 x 102 mm. Language: English . Brand New Book. He knows a lot of big words, but he doesn't know where babies come from. He's never heard of a stork, but he plans to be a bird when he grows up. He's Superfudge, otherwise known as Farley Drexel Hatcher. And, according to his older brother Peter, the biggest pain ever invented. Among other things. As fans of Tales of a Fourth Grade Nothing already know, nothing is simple for Peter Hatcher. He is far from overjoyed at the turn the family fortunes are taking. It looks as if Peter will be spending the sixth grade far from Central Park, Sheila Tubman, Jimmy Fargo, and Henry the doorman. (He won't miss Sheila). And it also looks as if Fudge will no longer be the baby of the family. How will Peter ever survive if his new sibling is a carbon copy of Fudge? But as Fudge fans also know, bad news for Peter generally means good news for Judy Blume's readers in the form of a very funny story. They won't be disappointed!.
