## **GOD S MINISTERS IN RETIREMENT: AN EMOTIONAL TRAUMA OR A FULFILLED UTOPIA? (PAPERBACK)**

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is a pressure on the pastor that never goes away. Most times the pastor is not aware of the pressure because he has lived under it for so long. But, it is there. He may mark a day on the calendar as his day off, but one phone call and he is at the hospital, or at the home of a hurting person. He may plan a vacation with his family and is far away from home, but again, one phone call can cancel the plans as they rush back home because of a death in the church s family. In retirement, that pressure goes away and for that the pastor can be thankful. However, there is another pressure that takes its place. That pressure is described in the scriptures as being a fire in the bones. It is the desire to preach.
