

## Preppers Armed Defense: Life-Saving Firearms and Alternative Weapons to Purchase, Master and Stockpile

By Jim Cobb

Ulysses Press. Paperback. Condition: New. 224 pages. A comprehensive guide to gun options as well as non-lethal and homemade alternatives needed for neutralizing attackers after a catastrophic collapse. A massive disaster strikes. Civilization breaks down and with it goes the thin blue line of police protection. Days or even weeks pass before the National Guard arrives to protect law-abiding citizens. In the mean time, its every man, woman, and family for themselves. Having self-sufficient means for protecting your family at this critical moment is essential. Thankfully, Preppers Armed Defense details exactly how to achieve this high level of life-saving readiness. Opening with a survey of firearm options including handguns, rifles, and shotguns, Preppers Armed Defense is the ultimate resource for deciding on your most powerful tool for protection. However, the author goes further with details on becoming an expert marksman, tips on maximizing a gun's usefulness for defensive purposes, as well as helpful advice on safely stockpiling and fully utilizing ammunition. Far more than a gun guide, Preppers Armed Defense is the most comprehensive, no-holds-barred guide to all type of weapons, including knives and other edged weapons; non-lethal weapons like pepper spray, tasers and stun guns; plus last-minute improvised weapons made...

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*
