# FORENSICS IN CHEMISTRY: THE CASE OF KIRSTEN K. (PAPERBACK)

National Science Teachers Association, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Forensics seems to have the unique ability to maintain student interest and promote content learning. I still have students approach me from past years and ask about the forensics case and specific characters from the story. I have never had a student come back to me and comment on that unit with the multiple-choice test at the end. from the Introduction to Forensics in...
