

Physical Therapy of Cerebral Palsy (Mixed media product)

By -

Springer-Verlag New York Inc., United States, 2007. Mixed media product. Book Condition: New. 2007. 279 x 216 mm. Language: English . Brand New Book. This book is a derivative of the author's well-regarded Cerebral Palsy and focuses on rehabilitation techniques. The book discusses the theory and techniques used by physical and occupational therapists, and also provides suggestions for implementing an Individual Education Plan. The book includes chapters on rehabilitation techniques. Tables and algorithms are included to help in the decision-making process for determining what treatment would be most beneficial.

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
