THE EMERGENCE OF DETENTE IN EUROPE: BRANDT, KENNEDY AND THE FORMATION OF OSTPOLITIK

DOWNLOAD

Taylor Francis Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.This book examines the key relationship between Willy Brandt (the former Mayor of West Berlin and future West German Chancellor) and the administration of President John F. Kennedy. Arne Hofmann focuses on the administration's influence on the development of Brandt's policy of small steps and the formation of his later Ostpolitik, the centrepiece of European detente. Brandt's interaction with the Kennedy administration is traced through the Berlin Wall crisis of 1961, together with Kennedy's search for a modus vivendi based on the status quo, the 1962 crisis in German-American relations, Brandt's disillusionment campaign, the development of his programmatic statements, Brandt's three meetings with the President including Kennedy's famous visit to Berlin, the limited nuclear test ban treaty and Brandt's Berlin pass agreement of Christmas 1963. While the narrative focuses on the gradual change in Brandt's position, systematic parts concentrate on Brandt's and Kennedy's detente concepts, the triangular relationship between West Berlin, Washington and Bonn with its implication for domestic politics, and the role of images, campaigning and public opinion. The Emergence of Detente in Europe will appeal to students of Cold War history, foreign policy, international relations and international history in general.
