Plexus Publishing Ltd, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. For the first time since Hitchcock, moviegoers have embraced a film director whose name denotes a genre in itself. Tarantino has become a byword for post-modern violence, for a unique take on the crime/gangster/noir genres which both celebrates and comments ironically upon itself. In charting his career, *The Film Geek Files* provides a colourful guide to the brash, media-saturated world that spawned the premier filmmaker of his generation. Divided into sections charting the controversial success of Tarantino's self-directed films (*Reservoir Dogs*, *Pulp Fiction*, *Jackie Brown*, *Kill Bill Volumes I and II*) and his famous screenplays (*True Romance*, *Natural Born Killers*, *From Dusk till Dawn*), *The Film Geek Files* comprises the most essential interviews, essays and reviews of Tarantino's career. This edition is revised and updated to include interviews, reviews and articles on Tarantino's recent films *Kill Bill Vols 1 and 2*, as well as his forthcoming projects: *The Inglorious Bastards* and *Reservoir Dogs/Pulp Fiction* prequel *The Vega Brothers*. To a vast number of young moviegoers, Tarantino is cinema. To this avid fan market, *The Film Geek Files* will provide both an entertainment and an education.
