CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 440 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. When sexy singer Gina Struben encourages her husband Senator Josh Struben to run for President in 2020, not only does she miscalculate the impact that Chinese globalist Sun Feng, the world's wealthiest man, will have on the outcome, but she also underestimates the impact that domestic and global terrorism will have on her family. The Twenty-Twenty Players is a fictitious account of the 2020 US Presidential Election. It deals with three interwoven plots: the election itself; domestic terrorism; and international terrorism. Along the way the plot interlaces the fortunes of several vivid characters, including Presidential candidate Josh Struben and his wife, singer-activist Gina Struben; Chinese industrialist, Sun Feng; CIA Operative, Catherine Cauley; Islamic terrorist, Faraq Hussein; and Kenneth Brady, the bi-sexual host of the network news talk show, The Brady Focus. Other colorful supporting characters invigorate the plot that covers the 12 months of January through December 2020. There is also a rich back-story that deals credibly with the intervening years between 2011 and 2020. The Twenty-Twenty Players are the characters who each undergo a major personal transformation during the title year. Not only do these four-dimensional characters jump out of the text to illuminate the storyline, but they also permit thoughtful access to their individual spirituality as they cope with conflict or accept opportunity. The final 6 months of 2020 are fast paced, and unpredictable. However when the story ends on New Years Eve, 2020, the reader feels hopeful and invigorated about the stretch of years yet to unfold. The Twenty-Twenty Players has appeal to anyone who has ever felt, love, sorrow, fear, regret, lust, hatred, or hope. But there are several more specific audiences who will...
