At this particular point in time the psychiatric, medical, and secular worlds are beginning to appreciate the authenticity of Lesbian, Gay, Transgender, Bisexual, and Queer people. Sadly, many Christian churches and denominations continue to oppress and vilify the LGBTQ community. This is the story of a transgender man who has been an ordained elder in The United Methodist Church since 1984 and has quietly served his congregations for twenty-eight years before sharing his story and spiritual journey with his congregation, denomination, and the world. This is the story of a Transgender man, a Christian, an ordained minister, a loving husband and father--a human being. It is his challenge to his denomination and to all Christians and spiritual seekers to consider the truth of gender identity and sexual orientation as God given gifts, to be celebrated and embraced among all other gifts. Endorsements: Questions about whether a transgender pastor can have a successful ministry have been resoundingly answered in the affirmative in this story of three decades of effective and inspiring pastoral ministry, while keeping secret from the church and society his gender reassignment surgery.
