Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Elementary Hebrew Grammar: With Reading and Writing Lessons and Vocabularies This brief Manual has been prepared with special reference to the wants of beginners. The essential facts of the language are concisely stated, without the encumbrance of minute details, which would confuse their minds and impede their progress, and which belong properly to a more advanced stage of study. The tabular form has been adopted to as great an extent as possible, in order to exhibit to the eye whatever is capable of such a mode of representation. The Reading Exercises, which are of the simplest kind, have been carefully selected with a view to illustrate the forms and uses of different parts of speech, and especially the various classes of perfect and imperfect verbs; and they are accompanied by a special Vocabulary. It will, as is hoped, meet the wants of non-professional students who seek a general knowledge of this venerable and sacred tongue rather than a thorough acquaintance with it, and who might be repelled by a larger and more costly apparatus.
