Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE DAY DEMOCRACY DIED

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. How scapegoating and hysteria doomed the world's first democracy. From the chaos of a sea-battle to the fury of a lynch mob, from personal bravery to political machinations, *The Day Democracy Died* tells in vivid detail the tragic story of the Arginusae trials and the fall of Athens: a cautionary tale of democracy's demons which is as relevant in the age of instant news and mass media as in the volatile city-states of ancient Greece. October, 406 BC: on the darkening waters of the eastern Aegean, an inexperienced Athenian fleet prepared to face the might of Sparta. With the fortunes of the Peloponnesian War turning inexorably against it, a beleaguered Athens badly needed a victory - and it got one. The Battle of Arginusae, won by raw recruits against a battle-hardened Spartan armada, saved Athens from disaster at a heavy cost in sunken ships. Yet in the confusion following the battle, neither the survivors nor the bodies of the dead were ever recovered. When the fleet returned to an apprehensive, overcrowded Athens, recriminations between its leaders escalated into a vicious, hysterical witch-hunt which convulsed the democracy and swept aside custom, sense, and law. In an extraordinary and chilling sequence of events, six victorious generals were arrested and put on trial for their lives before the Athenian people. On a day of violent passions, before a crowd of thousands, a handful of brave men including the philosopher Socrates struggled to save Athens from itself.
