But because of a diabolically unique and unpredictable ransom demand, in which the police have no way of apprehending the kidnapppers, Jason believes the result would be multiple copy cat events. The flip side is, by not keeping the public appraised of the potential danger; children would still be at risk. With either decision, Jason realizes he will be judged wrong. Throughout this juggling act, nothing can override his biggest concern-what will happen when the kidnapper s leverage runs out? As Marie Gallagher and Jason stand side by side listening to tapes of tormenting phone calls from the abductors, she begins a back door entry into his empty private life.
