Chooseco, United Kingdom, 2007. Paperback. Condition: New. Revised. Language: English . Brand New Book. WHAT IF YOU COULD CHOOSE THE PLANET OF YOUR BIRTH? Born aboard a deep space cruiser on a dangerous research mission, you are asked to choose your home planet. Your parents are from different planets in different galaxies. Their planets are alike enough so that you will not be a freak on either one. But they are different enough so that YOUR choice will have a huge effect on your life. The planet Kenda is visible on the galaxy scanner. Now that you have chosen, your parents announce that Kenda is your father s home. The crew of the spaceship carefully prepares a spacepod for the journey to Kenda. Seating yourself at the controls and positioning the programmed flight path, you disengage from the mother ship and drift off into space. Something is wrong! You look at the scanner and see a nebula that is not supposed to be on your course. Suddenly the gases and particles of the nebula surround you. If you try to return to the mother ship, turn to page 4. YOU choose what happens next!.
